

Oxbridge Lane Primary School

Welcome to Year 2

Welcome to Year 2!

I am Miss Amerigo and I am the headteacher at Oxbridge Lane Primary School.

Welcome to your new year group! I hope you have a fantastic time during transition week and that you enjoy meeting your new class and teachers. There is so much for you to learn, and I am sure you are all excited to get started.

Have a wonderful summer and I am looking forward to seeing you back at school in September.

Classroom

Look at our fantastic classrooms!

We try and make it as exciting as possible giving you lots of time to explore our topics in the environment. Our classrooms are filled with the magic and wonder of learning. Every day is a day filled with endless promise and another key to unlock your potential and imagination.

In school, we follow the Jolly Phonics scheme. To learn more about the scheme, please use this web link:

VIPERS

We teach reading through daily VIPERS lessons. It is an acronym of the 6 reading domains as part of the UK's reading curriculum. They are the key areas which we feel children need to know and understand in order to improve their comprehension of texts.

VIPERS stands for Vocabulary, Inference, Prediction, Explanation, Retrieval, Sequence or Summarise

Mathematics

Power Maths

In school we use Power Maths. This programme is designed to spark curiosity and excitement, nurture confidence in maths and embed a growth mind-set approach to maths. It focuses on helping all children to build a deep understanding of mathematical concepts.

Times Tables Rock Stars

Times tables (as well as addition, subtraction and division facts) are building blocks for many more complicated calculations so it is therefore very helpful if these can be learnt as facts as well as calculations. Times Table Rock Stars, promotes

the learning of times tables facts and is introduced in Year 2 running all the way through to the end of Year 6.

Learning to Read

In Year 2, reading is taught through daily English and Phonics lessons, as well as VIPERS lessons. Teachers in Year 2 give a high priority to the teaching of reading and will continue to use the Jolly Phonics reading programme that was used in Early Years and Year 1. This offers children the opportunity to build on the work they have done in Nursery, Reception and Year 1 and apply them in their reading and writing.

It is important that you read and share a variety of texts with your child, including fiction and non-fiction books, magazines, recipes, comics, shopping lists and much more.
