

Oxbridge Lane Primary School

Welcome to Year 5

Welcome to Year 5!

I am Miss Amerigo and I am the headteacher at Oxbridge Lane Primary School.

Welcome to your new year group! I hope you have a fantastic time during transition week and that you enjoy meeting your new class and teachers. There is so much for you to learn, and I am sure you are all excited to get started.

Have a wonderful summer and I am looking forward to seeing you back at school in September.

Classrooms

In school, we follow the Jolly Phonics scheme. To learn more about the scheme, please use this web link:

<https://www.jollylearning.co.uk/>

VIPERS

We teach reading through daily VIPERS lessons. It is an acronym of the 6 reading domains as part of the UK's reading curriculum. They are the key areas which we feel children need to know and understand in order to improve their comprehension of texts.

VIPERS stands for Vocabulary, Inference, Prediction, Explanation, Retrieval, Sequence or Summarise

Mathematics

Power Maths

In school we use Power Maths. This programme is designed to spark curiosity and excitement, nurture confidence in maths and embed a growth mind-set approach to maths. It focuses on helping all children to build a deep understanding of mathematical concepts.

Times Tables Rock Stars

Times tables (as well as addition, subtraction and division facts) are building blocks for many more complicated calculations so it is therefore very helpful if these can be learnt as facts as well as calculations. Times Table Rock Stars, promotes the learning of times tables facts and is introduced in Year 2 running all the way through to the end of Year 6.

Learning to Read

Reading is taught through daily English lessons, as well as VIPERS lessons. Teachers give a high priority to the teaching of reading. This offers children the opportunity to build on the work they have done in previous year groups and continue to apply them in their reading and writing.

It is important that you read and share a variety of texts with your child, including fiction and non-fiction books, magazines, recipes, comics, shopping lists and much more.

Staff in Year 5

Miss Montier

My name is Miss Montier and I will be your class teacher starting in transition and continuing from September 2024 to July 2025. I have been a teacher for over thirty years and I have been here at Oxbridge Lane for most of that time. I may have taught your mums and dads. I am really looking forward to working with you. I have taught in Year 5 a few times and I really like everything about the year. There are plenty of good English and maths topics and the science work is great fun. We will be studying the Mayans, Teesside and the River Tees and many other great topics. I am sure you will all grow in confidence and remain enthusiastic learners. Our class is named after Elvis Presley who has produced some excellent music. All I will ever ask is that you do your best and ask for help if you need it.

Looking forward to Year 5

Learn all the times tables to 12x12 and the related division facts.

English

Continue to read throughout the holidays (signs, magazines, books, comics, etc.)

Practise your cursive handwriting. Encourage your child to write throughout the holidays. (postcards, shopping lists, recounts of what they are doing)

School Hours

The school day begins at **8:45am**. Children will come into the playground to line up with their teacher.

Lunch starts at **12:15pm** and the afternoon session begins at **1pm**.

The school day ends at **3:15pm**.

Collecting Your Child

The playground gates will be opened at 8:45am and 3:10pm. Please wait outside the gates until a member of staff opens them.

At the end of the school day, children in Year 5 will line up near to the small gate on Oxbridge Lane and are asked not to go to their adult until a member of staff calls their name.

All children must be collected by a responsible adult who is known to the staff unless you have signed the relevant forms for them to be allowed to walk home alone.

Attendance and Punctuality

It is important that your child attends **on time every day** in order to reach their full potential and to get the best possible opportunities from our school.

If your child is unwell, it is important that you ring in and report your child's absence on the first day. If your child becomes ill during the school day, we will contact you. **Please ensure your contact details are kept up-to-date with the school office.**

Workshops

We run a series of workshops throughout the year that parents may wish to attend.
